STEFANIA BOGGIO BOZZO

PERSONAL DETAILS

Name and Surname:	Stefania Boggio Bozzo
Place and Date of birth:	Biella, 11/06/1998
e-mail:	stefania.boggiobozzo@unito.it

PROFESSIONAL EXPERIENCE

PhD in Neuroscience — *November 2023 - ongoing*
University of Turin
Neuroscience Departement "Rita Levi Montalcini", Prof. Ghirardi and Fiumara Laboratory
Project title: "Neuronal phase separation mechanisms in memory and neurodegeneration"

Research Fellow in Neurobiology and Molecular Genetics — *May 2023 - October 2023*
University of Turin
Neuroscience Departement "Rita Levi Montalcini", Prof. Ghirardi and Fiumara Laboratory
Project title: "Phase-separation of synaptic proteins involved in memory and Huntington disease neurodegeneration"

Postgraduate Internship in Cellular and Molecular Lab — *October 2022 - April 2023*
University of Turin
Neuroscience Departement "Rita Levi Montalcini", Prof. Fiumara Laboratory

M.Sc. Internship in Cellular and Molecular Lab — *September 2021 - October 2022*
University of Turin
Neuroscience Departement "Rita Levi Montalcini", Prof. Fiumara Laboratory

EDUCATION

Master in Cellular and Molecular Biology — *2020 - 2022*
Neurobiology curriculum
University of Turin, Italy — 110 *cum laude* and honors

Bachelor degree in Biological Sciences — *2017 - 2020*
Università of Eastern Piedmont, Vercelli, Italy — 110 *cum laude* and honors

EDUCATIONAL ACTIVITIES

Workshop: Public engagement and outreach — *November 18th-19th 2023*
University of Turin
Graziano Ciocca (Science communicator, Associazione GEco), Donato Ramani (Communications Office, SISSA)

PUBLIC ENGAGEMENT ACTIVITIES

Congresso VICINI - La Scienza per la Città al Valentino — *Novembre 2022*
University of Turin
Neuroscience Departement "Rita Levi Montalcini"

PERSONAL SKILLS

Mother tongue: Italian
Other languages: English, C1 level (Certificate in Advanced English (CAE) C1 certified)
